

S.H. 44 Corridor Preservation Study

Study Description

The Community Planning Association of Southwest Idaho (COMPASS) and the Idaho Transportation Department (ITD) are working together to identify future transportation needs along the S.H. 44 corridor from I-84 to Eagle Road.

The study will identify:

- A vision for how the communities would like the highway to function
- The improvements and actions necessary for the vision to be implemented
- An approved Environmental Impact Statement (EIS)
- Analysis of a Middleton Alternate Route
